## ANTIFLOR DAMIGIANE

### ANTI-MOULD TABLETS

#### **COMPOSITION**

Allyl iso-thiocyanate on paraffin support.

#### **GENERAL FEATURES**

**ANTIFLOR**, a product containing allyl iso-thiocyanate (mustard essence), supported by paraffin for the food industry, is available in three sizes:

**ANTIFLOR DEMIJOHNS**, 1-gram tablets at 0.5% iso-thiocyanate, suitable for containers from 20 to 200 litres;

**ANTIFLOR BARRELS**, 7-gram tablets at 1.7% iso-thiocyanate, suitable for containers from 2 to 50 hL;

**ANTIFLOR BASINS**, 20-gram tablets at 2% iso-thiocyanate for large tanks.

During product use, the mustard essence slowly evaporates from the paraffin support, saturating the air space over the wine, and consequently preventing the development of microorganisms responsible for the formation of the so-called "flowers of wine" (mould)

The accurate selection of the raw materials used to produce **ANTIFLOR** prevents unwanted release phenomena. In particular, in wines treated with **ANTIFLOR** there are no allyl iso-thiocyanate residues.

#### **APPLICATIONS**

**ANTIFLOR** is the ideal product for wine preservation in demijohns, wooden barrels and storage basins, whenever it is not possible to keep the containers full, sealed or under inert gas atmospheres.

#### **DOSAGE**

**ANTIFLOR DEMIJOHNS**, 1 tablet; replace every month;

**ANTIFLOR BARRELS**, 1 or 2 tablets; replace every 3-4 weeks;

**ANTIFLOR BASINS**, 1 or 2 tablets; replace every 15-20 days.

#### **INSTRUCTIONS FOR USE**

Place **ANTIFLOR** on the wine surface and accurately close the container.

Note: usage of the product in containers having a capacity below 20 litres is forbidden.

#### **PACKAGING AND STORAGE**

**ANTIFLOR DEMIJOHNS**, 480-tablet display box;

**ANTIFLOR BARRELS**, 80-tablet display box;

**ANTIFLOR BASINS**, 65-tablet display box.

Sealed package: keep the product in a fresh, dry, well-ventilated area  
Opened package: carefully reseal the package and keep it as above indicated.

Product approved for winemaking, in accordance with: Reg. EC 1493/99
